

Sciensano's organisation [1]

Sciensano's organisation consists of 5 directorates overseeing Sciensano's core functions and 2 supportive offices.

Managing director [2]

Epidemiology and public health

[3]

- [Health services research \[4\]](#)
- [Cancer centre \[5\]](#)
- [Health information \[6\]](#)
- [Epidemiology of infectious diseases \[7\]](#)
- [Healthcare-associated infections and antimicrobial resistance \[8\]](#)

Infectious diseases in humans

[9]

- [Foodborne pathogens \[10\]](#)
- [Bacterial diseases \[11\]](#)
- [Viral diseases \[12\]](#)
- [Mycology and aerobiology \[13\]](#)
- [Immune response \[14\]](#)
- [Laboratory of medical microbiology \(LMM\) \[15\]](#)

Infectious diseases in animals

[16]

- [Experimental centre \[17\]](#)
- [Coordination of veterinary activities and veterinary epidemiology \[18\]](#)
- [Veterinary bacteriology \[19\]](#)
- [Viral reemerging enzootic and bee diseases \[20\]](#)
- [Exotic and vector-borne diseases \[21\]](#)
- [Avian virology and immunology \[22\]](#)

Chemical and physical health risks

[23]

- [Medicines and health products](#) [24]
- [Organic contaminants and additives](#) [25]
- [Trace elements and nanomaterials](#) [26]
- [Risk and health impact assessment](#) [27]
- [Platform chromatography and mass spectrometry](#) [28]

Biological health risks

[29]

- [Biosafety and biotechnology](#) [30]
- [Quality of vaccines and blood products](#) [31]
- [Quality of laboratories](#) [32]
- [Transversal activities in applied genomics](#) [33]
- [Dispatching - Sample Management](#) [34]

Managing director [2]

Support services

[35]

- [Finance and management control](#) [36]
- [Personnel and organisation](#) [37]
- [Information and communication technologies](#) [38]
- [Facility services](#) [39]

Services of the managing director

[40]

- [Strategy external positioning](#) [41]
- [Management support](#) [42]
- [Communication](#) [43]
- [Quality, \(bio\)safety and environment](#) [44]
- [Legal office](#) [45]
- [Crisis Coordination](#) [46]
- [Data governance](#) [47]
