

Conference Program

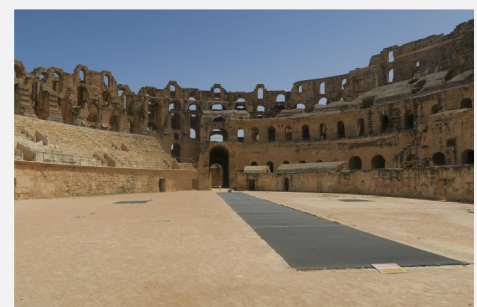

ICEPRAR 2018

<http://iceprar2018.wiv-isp.be>

**International Conference on Environmental Pollution,
Risk Assessment and Remediation**

Mahdia –Tunesia, 19-20 April 2018

Mahdia Palace

Call for Abstracts & Registration

Information on how to register to the symposium and pricing can be found on our website:

<http://iceprar2018.wiv-isp.be>

Final deadlines for abstract submission and registration:

Oral and poster abstract submission: February 28, 2018

Registration: March 1, 2018

Invited Speakers

Prof. Nicolas Kalogerakis

Mitigation measures for pollution in the marine environment | 19th April

Prof. Olivier Sire

Biological risk assessment at the sea shore interface: Tracking the pollutants sources | 19th April

Prof. Aziz Amine

Recent advances on biosensors for environmental monitoring | 19th April

Dr. Laure Joly:

Monitoring of human exposure to pesticide residues using silicone wristband passive samplers | 19th April

Dr. Jean-Francois Picron

Food contamination with pyrrolizidine alkaloids: the expected... and the unexpected | 19th April

Prof. M. Elskens

Dynamics of estrogen activity in an urban European river receiving wastewater effluent | 19th April

Prof. Silvia Díaz Cruz:

Are personal care products as good for the environment as they are (or not) for us? | 20th April

Prof. Basem Shomar

Broader Scope for the Environmental Monitoring | 20th April

Vendor & Project Seminars

Sciex

| 19th April, 17:10-17:40, room 1

Metrofood

| 19th April, 17:10-17:40, room 1

ESPR: Special Issue

Environmental Science and Pollution Research (ESPR) journal, gives the participating scientist the opportunity to submit their paper for a Special Issue.

Venue

Hotel Mahdia Palace

BP 134, Zone Touristique, 5100, Mahdia

Tunesia

Organisation & Advisory Committee

Scientific Institute of Public Health | WIV-ISP

Belgium

Research Unit of Analysis and Process Applied to the Environment | UR17ES32 –ISSAT—Mahdia

Tunesia

International Advisory Committee

Water, Air, Soil and Food Contamination

- * Prof. Joris Van Loco (BEL)
- * Prof. Ahmed Abdallah (QAT)
- * Dr. Jose Luis Balcazar (ESP)
- * Dr. Tim Reyms (BEL)
- * Prof. Nizar El Khodhari (SAU)
- * Prof. Harrison Pienaar (RSA)
- * Prof. Aziz Amine (MAR)
- * Prof. Benachir Bouchikhi (MAR)
- * Dr. Silvia Díaz Cruz (ESP)

Environment and Health Impact

- * Prof. Hedi Ben Mansour (TUN)
- * Prof. Olivier Sire (FRA)
- * Prof. Milad Fakhri (LBN)
- * Prof. Alan Baker (GBR)
- * Prof. Giuseppa Di Bella (ITA)
- * Prof. Basem Shomar (QAT)
- * Prof. Caterina Faggio (ITA)
- * Prof. Marc Elskens (BEL)
- * Prof. Véronique Le Tilly (FRA)
- * Prof. Adel Nefzi (USA)

Environmental Remediation

- * Prof. Ranya Amer (EGY)
- * Prof. Ridha Mosrati (FRA)
- * Prof. Ameer Cherif (TUN)
- * Prof. Bechir Ben Hassine (TUN)
- * Prof. Hayet Guillaud-Djelal (FRA)
- * Prof. Nicolas Kalogerakis (GRC)
- * Prof. Klaus Kümmerer (GER)
- * Prof. M.K. Mihoubi (ALG)
- * Dr. Salem Fathallah (TUN)

Program

Wednesday 18 th April		
12:00-17:00	Registration	
17:00-19:00	Welcome reception	
Thursday 19 th April		
8:00-9:00	Registration	
9:00-9:30	Welcome and Conference Opening and Overview from H2POL project	
9:30-10:10	Prof. Nicolas Kalogerakis: <i>Mitigation measures for pollution in the marine environment</i>	
10:10-10:50	Prof. Olivier Sire: <i>Biological risk assessment at the sea shore interface: Tracking the pollutants sources</i>	
10:50-12:00	<i>Coffee Break & Poster Viewing</i>	
12:00-12:40	Prof. Aziz Amine: <i>Recent advances on biosensors for environmental monitoring</i>	
Sessions 12:00-13:00	Room 1: Water, Air, Soil and Food contamination	Room 2: Environment and Health Impact
<i>Lunch</i>		
14:30-15:10	Dr. Jean-Francois Picron: <i>Food contamination with pyrrolizidine alkaloids : the expected.... and the unexpected.</i>	
15:10-15:50	Prof. M. Elkens: title TBC	
Sessions 15:50-17:10	Room 1: Water, Air, Soil and Food contamination	Room 2: Environmental remediation
Vendor Seminars 17:10-17:40	Sciex Vendor seminar Metrofood Project	
<i>Diner</i>		
Friday 20 th April		
08:30-9:10	Prof. Silvia Díaz cruz: Are personal care products as good for the environment as they are (or not) for us?	
09:10-09:50	Prof. Bassem Shomer: Broader Scope for Environmental Monitoring	
09:50-11:00	<i>Coffee Break & Poster Viewing</i>	
Sessions 11:00-12:20	Room 1: Environment and Health Impact	Room 2: Environmental remediation
12:20-13:00	Closing and Awards Ceremony
